## 3D Systems and SYNEX Corporation Join Forces on 3D Printer Sales

Expands North American Coverage with Top Distribution Company

**ROCK HILL, South Carolina – May 30, 2013 – [3D Systems](#)** (NYSE:DDD) announced today that [SYNEX Corporation](#) (NYSE: SNX), a leading distributor of IT products and services, has joined its expanding global reseller network. Under this exclusive agreement, SYNEX sells and supports 3D Systems' complete portfolio of [personal](#) and [professional](#) 3D printers and materials through its [PRINTSo/v Wide Format](#) group in both the United States and Canada.

Recognized for identifying, investing in and developing solutions around high-growth markets like 3D printing, SYNEX Corporation's business strategy and infrastructure allow for short runways to bring new technologies to market. "By combining our proprietary value-added service model and extraordinary associates with one of the most comprehensive 3D printing portfolios available today, SYNEX is positioned to help our resellers provide an exceptional, end-to-end 3D printing experience to their customers," said Kevin Murai, President and Chief Executive Officer, SYNEX Corporation.

Along with the expanded [ProJet®](#) line, including [full color 3D printers](#), the company also plans to distribute 3D Systems' latest personal 3D printers, including the award winning [CubeX](#). "We look forward to working with an established and experienced partner like SYNEX Corporation," said Avi Reichental, President and Chief Executive Officer, 3D Systems. "This new relationship substantially expands our North American reach through a *Fortune* 500 organization with a track record of delivering exceptional customer service."

To learn more about how to source 3D Systems' 3D printers and supplies, visit [www.synnex.com/printsolvwideformat/index.html](http://www.synnex.com/printsolvwideformat/index.html). Visit [3DSystems.com](http://3DSystems.com) to learn which ProJet 3D Printer is right for your application.

### **About 3D Systems**

3D Systems is a leading provider of 3D content-to-print solutions including 3D printers, print materials and on-demand custom parts services for professionals and consumers alike. The company also provides CAD, reverse engineering and inspection software tools and consumer 3D printers, apps and services. Its expertly integrated solutions replace and complement traditional methods and reduce the time and cost of designing new products by printing real parts directly from digital input. These solutions are used to rapidly design, create, communicate, prototype or produce real parts, empowering customers to create and make with confidence.

More information on the company is available at [www.3DSystems.com](http://www.3DSystems.com).

### **About SYNnex Corporation**

SYNNEX Corporation, a Fortune 500 corporation, is a leading business process services company, servicing resellers, retailers and original equipment manufacturers in multiple regions around the world. The Company provides services in IT distribution, supply chain management, contract assembly and business process outsourcing. Founded in 1980, SYNnex employs approximately 12,000 full-time and part-time associates worldwide. Additional information about SYNnex may be found online at [www.synnex.com](http://www.synnex.com).
